Troutman Youth Athletic Association

Dear Potential Donor,

Troutman Youth Athletic Association is only able to serve the kids in our community through the generous support of sponsors. These donations give kids the opportunity to thrive within a positive team environment.

Since our organization relies heavily on the generosity of people like you, we are asking for your consideration in giving either a one time monetary donation or a sponsorship.

Depending on the sponsorship level you choose, your company name will be seen and recognized by many of the families in our community that participate in TYAA. Your company name will also be seen by all of the families in the fellow associations throughout Iredell County. We serve children age 4 through the 8th grade. We currently have over 800 children and their families that participate in our association and we continue to grow.

Thank you in advance for your generosity!

Sincerely,

The Executive Board, Troutman Youth Athletic Association
